## SATCO PRODUCTS, INC. EXPANDS GU24 BASE LAMPS

**Brentwood, NY – July 20, 2009** – SATCO Products, Inc., a 2009 ENERGY STAR Partner of the Year in the lighting manufacturing category, announces the expansion of its line of GU24 Base Lamps. Utilizing 75% less energy than standard incandescent light bulbs, these GU24 Base Compact Fluorescent Lamps last ten times longer than incandescents, with a life expectancy of 10,000 hours.

The Mini Spiral GU24 Base Lamps have been approved for use in totally enclosed fixtures and are available in a variety of options including:

- T2 GU24 Base Mini Spiral:
  - 9W-2700k
  - 11W-2700k
  - 13W-2700k
  - 13w-4100k
- T3 GU24 Base Mini Spiral:
  - 15W-2700k
  - 18W-2700k
  - 23W-2700k
  - 26W-2700k
- Additional covered lamps include:
  - G25 15W 2700K Globe – 2700K
  - 15W R30 Reflector – 2700K
  - 15W a-Lamp – 2700K

GU24 lamps have a standardized base that eliminated the “pin-confusion” of previous pin-based fixtures. NUVO Lighting, a SATCO brand with energy efficiency as the cornerstone, has a wide variety of decorative and commodity fixtures that use SATCO GU24 base lamps, all of which are qualified with ENERGY STAR.

“Today more than ever, energy efficiency is at the forefront of lighting decisions, and that is why SATCO is committed to providing customers with energy-efficient products,” stated Bill Gildin, President of SATCO Products, Inc. “We are not only concerned with lowering lighting costs, but more importantly helping to protect our environment.”

**About SATCO Products, Inc.**

SATCO, established in 1966, manufactures and distributes a wide variety of lighting products to an international lighting and electrical market. SATCO was named the 2009 ENERGY STAR Partner of the Year in the lighting manufacturing category, as well as 2008’s “The Best of the Test” by the Good Housekeeping Research Institute. Under the SATCO brand ([www.satco.com](http://www.satco.com)) the company’s product categories include incandescent, halogen, fluorescent, HID and energy-efficient lamps. SATCO also offers lighting and electrical components for the retail, commercial and manufacturing trade and consumer products such as night lights, desk lamps, and surge protectors. In June 2005, SATCO launched a new line of decorative and functional lighting fixtures sold under the NUVO brand ([www.nuvolighting.com](http://www.nuvolighting.com)). The NUVO product line is strongly focused on energy efficiency with nearly 600 product styles which are ENERGY STAR qualified. An additional 2100 products service the decorative and light commercial markets.
